RE: DOCKET NO. T-01051B-11-0448

Dear Sir or Madam:

On December 14, 2011, Qwest Corporation d/b/a CenturyLink QC ("QC"), filed changes to its Access Services Price Cap Tariff which are necessary to implement the FCC's recent decision concerning intercarrier compensation in WC Docket Nos. 10-90, etc. (FCC 11-161). Due to the scope of the FCC's order, as well as the need to evaluate similar filings made by other carriers in the State, Staff has requested that QC waive the 30 day time period in which the application would be deemed approved if not acted on by the Arizona Corporation Commission, as set forth in A.R.S. 40-250(C).

In response to Staff's request, QC hereby agrees to a 33 day extension of the statutory 30-day time clock associated with its filing in this docket. QC is anxious to have this Access Service Tariff approved as soon as possible, and accordingly this waiver is limited. QC requests consideration of the tariff change in this docket at the Commission's February Open Meeting.

Sincerely,
